Re: Spector Group II, LLP v. Transportation Insurance Company, et. al.
Index No.: CV 12-3081

Dear Judge Wall:

We represent Defendant Transportation Insurance Company ("TIC") and Intervenor Defendant Continental Casualty Company ("CCC") in the current action. Our firm also represents American Casualty Company of Reading, PA ("ACCO") in relation to the insurance coverage issues, arising from the same underlying lawsuits.

I write in regard to the status of ACCO's request for a pre-motion conference during which ACCO will seek the Court's consent to allow ACCO to move to intervene in the current cause of action. *See* Doc [14]; *see also* Doc [29]. Plaintiff Spector Group II, LLP and Intervenor Plaintiff SG Design Build LLC oppose ACCO's request. *See* Doc [15]; *see also* Docs [17], [31] & [30].

We ask the Court's consent to address ACCO's intervention in the present cause of action in a pre-motion conference before Your Honor. *See* Judge Leonard D. Wexler's Order of February 11, 2013. Thank you in advance for your consideration.

Sincerely,
COLLIAU CARLUCCIO KEENER MORROW
